

Invites you to a fellowship gathering to meet Sam and Christine Carson

at Hamilton Road Baptist Church, BANGOR (kindly granted)

8.00pm Tuesday 13th MARCH 2018.

Hadden and Betty Wilson will be hosting the evening.

Sam is a highly respected senior Baptist pastor. His ministry in Irish Baptist churches commenced in Ballyclare back in March 1958 ... 60 years ago! His ministry took him to serve as Pastor of Shankill, Newtownards, and then Banbridge Baptist Churches. He "retired" in 1997 and lives in Bangor and is a member of Hamilton Road. Some of his time is now spent writing theological study books.

Sam and Christine are both deeply respected across the Association of Churches and Sam served as ABCI President in 1996/7. He has always had a real heart for mission and was chairman of SIM Ireland for many years. Because of his passion for teaching God's word, Sam taught preaching skills classes to younger men involved in ministry. His own distinctive ministry has marked him out as one of the convinced dispensationalists in Irish Baptist circles.

The evening will be informal with Sam being interviewed followed by some time for questions and conversation.

Join us for an interesting and relaxed evening with a light supper.
