

# EBF & IBN Advent and Christmas APPEAL:

As different crises in the EBF region escalate please pray and give.

EBF is responding now to the crises being faced in Ukraine, Palestine, Israel and Armenia.

**UKRAINE:** Russian Federation strikes daily; our brothers and sisters see God at work with new churches being formed, and new believers baptised. 200 Pastors are serving in the army... on the frontline. Families are turning to churches for help with essential practical support and Christian hope.

**HOLY LAND:** Baptist leaders in Israel and Palestine are in regular contact and finding ways of enabling vital supplies to reach victims in the Palestinian Territories. There were about 1000 believers in Gaza before the war. Gaza Baptist Church building is flattened. Many have lost any income. Pray and give.

**LEBANON\*:** We continue our support for LSESD/THIMAR. The Israel/Hamas war has led to cross border attacks on southern Lebanon; 46,000 people have been displaced. There is anxiety the situation might escalate. LSESD/THIMAR are helping in this alongside all their other ministries. Pray it will not escalate.

Pray for Peace and Healing on Zoom ... register <https://www.ebf.org/give-and-pray>

Isaiah's vision of the coming Kingdom recognises that the LORD *"will judge between the nations and settle disputes for many people"*. God's Kingdom has not yet come but we see signs of His Kingdom and of Hope in each of these areas and thank God for our brothers and sisters there.

**You can designate your gift for UKRAINE, HOLY LAND, LEBANON\* Any not designated will go "where the need is greatest". THANK YOU...**
